# What is a Cozy Mystery?

co·zy mys·ter·y [ 'kōzē 'mist(ə)rē ]

Cozy mysteries are comedic murder mysteries that show you what happens when you put a baker, a quilter, a candy shop owner, a pet sitter, or some other wholly inappropriate sleuth on the case to solve a crime. More precisely, cozies are lighthearted, with plenty of humor, no graphic violence or sex, and include an amateur sleuth (or sleuthing team) living in some sort of close-knit community solving crimes while juggling a day job, hobby, or other responsibilities.

If you see a star next to a book title, that means it's the **FIRST** book in a brand-new cozy mystery series!

## A COZY MYSTERY THEME FOR EVERYONE!

It's not a true cozy mystery if there isn't a theme involved! And at Kensington Cozies, we have plenty to go around for everyone. Take a look at our list of themes in our current series to see if any fit your needs, whether it's animals, bakeries, gardening, crafting, or many others.
